- **Jimmy Wilferth**, Vice President of Marketing & Foundation for SFMC

Current COVID-19 Case Status

A positive test result for COVID-19 is a mandated reportable condition to the Local Public Health Agency, and all positive results for Cape Girardeau County residents, regardless of where the test was completed, are sent to the Health Center. Therefore, we have the most up to date numbers available for Cape Girardeau County positive cases.

TOTAL CAPE COUNTY CASES 04/03/2020:	Positive	Recovered
	15*	3

The following table represents the Gender breakdown of positive SARS-CoV-2 cases in Cape Girardeau County.

Gender	Number of Cases	Percent
Female	6	40.0%
Male	9	60.0%
TOTAL	15	100.0%

Cape Girardeau City	4	26.7%
Cape Girardeau County	2	13.3%
Jackson City	9	60.0%
TOTAL	15	100.0%

The Health Center is unable to determine an accurate number of total #Tests-to-Date of Cape County residents due to facilities providing data from several counties and lack of data from all Cape County providers. Therefore, we will not report the total number of tests completed in Cape County but we are providing the data given to us from different facilities.

SFMC UPDATE 04/03/2020:	# Tests-to-Date 04/03/2020	Positive	Negative
	509	7*	178

	28 (Cape County Only)	0*	12 (Cape County Only)

Other Cape County Providers 04/03/2020:	# Tests-to-Date 04/03/2020	Positive	Negative
Other providers include urgent care facilities, physicians, and other healthcare providers not associated with either hospital or Cross Trails.	Unknown	6*	Unknown

*Please be advised we are only reporting on Cape Girardeau County positive cases.

- # Tests-to-Date includes total tests completed at each facility, and this includes individuals from several counties.

Cape Girardeau County COVID-19 Cases:

- The number of cases we report is the most up to date Cape County numbers available.
- The reported case counts are total Cape County residents who have tested positive by a commercial lab or the Missouri State Public Health Lab and reported to the Health Center so we can begin an investigation.
- The Missouri Department of Health and Senior Services website may differ from the numbers we are reporting due to the influx of cases they are receiving across Missouri.
- Please keep in mind our hospitals and other healthcare providers are testing individuals from several counties, and the Health Center only reports positives for Cape Girardeau County.

Current Community Updates

Testing

- The community-wide Coronavirus Test Collection Center will be open Monday through Friday from 8 am to 6 pm, and Saturday from 9 am to noon at Arena Park in Cape Girardeau. This is a joint endeavor between SoutheastHEALTH, Saint Francis Healthcare System, Cape Girardeau County Public Health and City of Cape Girardeau.
- The Coronavirus Community Nurse Hotline is staffed from 7 am to 5 pm, seven days a week. Nurses provide screening for anyone that thinks they have been exposed to COVID-19. If a patient meets the strict DHSS and CDC screening criteria, the patient will be directed to the Coronavirus Test Collection Center. Anyone seeking a test must first call the hotline at **573-331-4200**.

Cape Girardeau County COVID-19 Public Health Proclamation remains in effect:

1. Limit your public exposure. Go to work, conduct essential business, and go home.
2. Limit gatherings to groups of 10 or less.
3. Implement personal protective measures, such as staying home when ill and washing hands frequently.
4. Avoid non-essential travel.
5. Actively engage in social distancing by staying at least 6 feet from others.
